

# Forest Park Elementary School

## Title I Parent Engagement Policy

### 2021-2022

Forest Park Elementary School strives to cultivate growth, embrace differences and inspire creativity through learning. We believe students' mental, physical and emotional states must all be balanced and ready to learn and we aim to nurture our students in all of those areas. Educating the whole child requires strong collaborative efforts between school and home as well as activating a network of community resources for our students.

In accordance with the All Student Success Act (ESSA), Title I, Section 1118 (@), Forest Park Elementary School will do the following:

- Hold an annual Title I / Open House meeting at the beginning of the school year. This meeting will provide information about classes, teachers and the Title I program.
- Work with parents to develop, distribute and update our Parent / Family involvement policy.
- Provide flexible parent / family involvement meetings and family learning activities throughout the year.
- Communicate with parents, guardians and stakeholders through our school website, Facebook page, Instagram, Class Dojo messages, and Blackboard Messages.
- Parents / guardians may request information about the professional qualifications of their child's teacher or paraprofessional.
- Compact between school and home that is designed to improve the individual academic performance of students through the combined efforts of parents / guardians, students and the school.
