

Kannapolis Middle School Auditorium

Facility Dimensions and Information

Kannapolis Middle School is located at 1000 Virginia Dare St, Kannapolis, North Carolina 28081. When selecting this location, please make sure to choose the 7th/8th Grade building option on FMX. Please visit our website for facility rates, guidelines for use and to complete your rental registration. As well as, updated information on our mask policy at: www.kannapolis.k12.nc.us

Seating Area:

- Total seating capacity: 598 + wheelchair accessibility.
- No orchestra pit
- Large open area between stage and first row of seats that can accommodate judging tables
- First row of seats is reserved for handicapped accessibility
- Per fire and evacuation codes, standing room does not exist within the auditorium. No one is permitted to stand or sit on the stairs or in the aisle ways

Stage Area:

- 47.5' wide (curtain to curtain)
- 33' deep (front of stage to back wall)
- Stage left and right are the same size
- Back wall of stage is black
- A black Marley floor is down at all times- renter(s) must request approval to remove. The floor underneath is a finished wood.

Load in/ out:

- Entrance for your staff to load in/out is located on the side of the building near the bus parking lot
- For easier access, you will need to drive around the right side of the building and up the first driveway on your left

KMS Main Entrance Area:

- Main entrance for spectators is located at the very front of the building
- Men's and women's bathrooms are open and available in the main lobby area on either side of the auditorium
- Handicapped accessibility to KMS Auditorium main downstairs seating, dining room and theatre lobby areas
- There is no balcony area

Curtains:

- Main, front curtain is blue and is manually controlled from pulley on stage right (draws to center from both sides of stage)
- Syc curtain against the back wall of the stage is white.
- Curtain is manually controlled from pulley on stage right (draws left to right)
- There is one black traveler curtain

Under Stage/ Dressing Areas:

- No access
- There are two classes located in the first hallway to the left, that can be used at changing rooms. When selecting these rooms, please choose the “KMS 2 Classroom adjacent to Aud for Combo Rate” option as well as the “KMS Auditorium 7th-8th includes Lighting & Sound” option.

Stage Lighting:

- Main stage lighting bar cannot be lowered
- Lights on main stage lighting system include ellipsoidal, fresnel and house maintenance lights

Audio/ Video:

- One retractable video screen in the middle of the stage, behind the main curtain
- Video equipment is located in the control booth located at the back of the auditorium
- Renter may bring their own equipment to videotape their event.
- Equipment cannot be attached to facility walls, seats, floors, or cushions in any way (including, but not limited to, tape, nails, and sticky substances)

Two Classrooms adjacent to Auditorium:

- Room A132 measures 28' wide and 45 ½' deep
- Room A133 measures 26' wide and 45 ½' deep
- There is direct access to the back of the stage from hallway that classrooms are located on
